

Republic of Somaliland
8th High Level Aid Coordination Forum

Managing for Results

Key Documentation

National Development Plan and SSA

Somaliland M&E Policy

SSA M&E Framework (and Partnership Principles)

National Statistics Law (and 2013-17 strategy)

M&E Policies and Procedures

Somaliland M&E Policy

- Cause-Effect (Inputs-Process-Outputs-Outcomes-Impact)
- Institutional Structure (Strategic Review TAG)

SSA M&E Framework

- Aid Effectiveness – Milestones - Results
- SSA evaluated on Partnership Principles, Milestones Framework and PSG Indicators

National Statistics

- Design, coordinate and implement statistical research
- Collect, compile, analyse, furnish, disseminate and publish statistics.

M&E Framework

Results Chain

Input → Process → Output → Outcome → Impact

Aid Effectiveness

Milestones

Results

Inputs (Aid Effectiveness)

Government Responsibility

Project registration; AIMS; Aid Envelopes (disbursements) linked to NDP/PSGs; Diaspora and Private investment

Donor Assistance

AIMS Review and technical assistance (World Bank & UN)

Issues

DAD under review; improve ownership and local capacity building to manage own system; user-friendly system; regular reporting.....on-plan and on-budget

Processes (Aid Effectiveness)

Government Responsibility

Project tracking, site monitoring; HLACF and sector coordination;
Partnership Principles; Perception Surveys;

Donor Assistance

Partnership Principles Study; UN - HLACF; SDF - perception
surveys.....Future World Bank Funding

Issues

Limited operational funding for project tracking, Aid Effectiveness
reporting and site monitoring; joint M&E is weak and not formalized

Outputs (Milestones)

Government Responsibility

Monitor and report on project completions/milestones linked to NDP, SSA and sources of funding; visual recording of project completions.

Donor Assistance

Communications Hub - Somaliland Development Fund

Issues

Limited capacities to verify; heavy human resource manual reporting; AIMS?

Outcomes/Results

Government Responsibility

Collection of national and regional statistics and reporting (bulletins; National Statistics Report; PSG indicators and MDG)

Donor Assistance

Poverty Report (World Bank), Capacity Building and CPI (AfDB)

Issues

Continuity in funding flow; SSA/NDP Indicators not finalized;

Moving Forward

- Require immediate focus and investment in national government M&E systems and institutions
- Standardized Results Framework for Both NDP/SSA
- Fundamentals of M&E system need to be functional and resourced for post-2016 plans

Moving Forward

- Utilize Sector Coordination Groups (NDP/SSA PSG)
- Require strengthened Donor and Ministry relations to ensure proper feedback loop into planning and programming.
- Ownership
