**COMMUNIQUE FROM THE GOVERNMENT OF SOMALILAND  
High-Level Development Coordination Forum (HLDCF)  
Hargeisa, Somaliland**

The Government of Somaliland, in collaboration with its international development partners, convened the High-Level Development Coordination Forum (HLDCF) in Hargeisa on February 25, 2025.

At the forum, the government outlined its development agenda focused on three key priorities: **Security and Social Cohesion, Inclusive Governance, and Economic Growth**. These priorities are supported by targeted reforms in **justice, electoral systems, revenue mobilization, and public financial management**. Additionally, strategic investments in **infrastructure, energy, and digital transformation** will drive economic growth, job creation, and regional trade competitiveness.

International development partners welcome Somaliland's development agenda, emphasizing **alignment of priorities, mutual accountability, transparency, and effective aid coordination**.

The Government of Somaliland expresses its gratitude to all partners for their steadfast support. Through sustained collaboration and strategic partnerships, Somaliland remains committed to building a **prosperous, stable, and resilient future**.
